

IDEA GLOBAL POLAND PRIZE

HugeTECH helps innovative foreign students develop their Startup in Poland!

Do you want to develop your business in Poland? Apply for the Idea Global Poland Prize grant programme and work with the best!

The Accelerator Idea Global Poland Prize is a programme aimed at young companies and startups outside Poland's borders, creating great conditions for development.

The Idea Global Poland Prize offer is very simple and attractive: after establishing a business in Poland you receive full support from experts and mentors. In addition, you can benefit from soft-landing activities, and there is a grant of up to €50,000 available to fund your product development!

Apply and establish cooperation and business relationships with key Polish companies and corporations!

“Our goal in the Idea Global Poland Prize is to reach people from different countries who want to make some groundbreaking innovations, solve problems and make this world a better place. Having business relations in Polish corporations and venture capitals (e.g. Warsaw Stock Exchange, InPost, 4mobility, Cash Broker, Primavera Perfum, Optimum Consulting Group, FEB, Luxon, Jasiołka, Satus Starter VC) we are looking for innovative solutions to business problems in the areas of: Fintech, IoT, Energy but not limited to these” – Kamil Kipiel, Incubation Manager

„In the Idea Global Poland Prize project, we established cooperation with a Startup whose idea perfectly suited our needs. Thanks to the support of the HugeTECH Team, we quickly and efficiently started talks and work on the Startup solution. We are currently in the process of implementing the last milestone and so far the cooperation with the team has been very effective as planned. The solution looks promising and we expect tangible benefits from this cooperation” - Marta Gemborys, Project Manager FEB Company, Business Partner in Idea Global Poland Prize

„Primavera Parfum is an E-commerce HUB and one of the largest e-commerce distributors in Poland. Our role in the Idea Global Poland Prize program is a focus on the evaluation and support startups that matching the development strategy of our business and the e-commerce market in Poland. We are looking for initiators with a vision, interesting projects and an innovative approach. In Idea Global Poland Prize, we cooperate with two companies that have started business in this project. We believe that partnership cooperation will bring benefits to all partners and develop this sector of the Polish market” - Michał Żółkowski. Head of Business Development Primavera Parfum, Business Partner in Idea Global Poland Prize

“Acting as one of the selected operators of Poland Prize program managed by the Polish Agency for Enterprise Development, HugeTECH provides startups from all over the world with all crucial tools and resources enabling their European success.” – Marcin Seniuk, Director, Startups Development Department, Polish Agency for Enterprise Development (PARP)
