

Logistics Intern

- Type of work: Hybrid
- Internship for 12 months
- Full/Part time: Full-time, Minimum availability: 30 hours per week, preferably 40 hours per week
- Location: Poznań SSC

About Us

Bridgestone Americas, Inc. (BSAM), headquartered in Nashville, Tennessee, and Bridgestone Europe, Middle East and Africa (BSEMEA), headquartered in Brussels, Belgium, operate collectively as a "Bridgestone West" strategic region. This region services the strategic business needs of teams across the Americas, Europe, Middle East and Africa. BSAM and BSEMEA are subsidiaries of Bridgestone Corporation, globally headquartered in Japan. Bridgestone and its subsidiaries develop, manufacture and market a wide range of Bridgestone, Firestone and associate brand products and solutions to address the needs of a broad range of customers and industries.

About the Role

Job Purpose

We are looking for a Logistics Intern reporting directly to the LSCM Planning Team Leader. This is a local role, based in Poznań.

You will be responsible for timely execution of internal and external customers' orders (STO, SO, shipment orders), while maintaining the applicable quality standards & customer requirements. You will create reports. You will communicate with the local teams in Poznań, Paczkowo, Stargard and Tatabánya. You will be expected to have a good level of understanding internal policies and procedures and their customer's needs and to handle all assigned tasks with a strong focus on the quality and efficiency of their work to meet their customers' requirements and be compliant.

Contract: for 12 months

Minimum availability: 30 hours per week, preferably 40 hours per week

Responsibilities:

- Full scope of logistics planning processes and systems used in the Organization
- Preparing reports requested by the local entity contact person
- Assist in ensuring that logistics processes and all operating procedures are clearly defined, up to-date and documented
- Supporting the Logistics Planning Team

Qualifications & Experience Required

Education, Master, other certification:

- Bachelor/Engineer student with a focus on international trade or logistics (must be currently enrolled)

Experience (years):

- Previous internship in logistics is an advantage

Technical Skills:

- Basic knowledge of Microsoft Office, especially Excel

Languages Skills:

- Basic/communicative English

Soft/Behavioral Skills:

- Internal motivation, accuracy, and good organizational skills
- Strong communication and teamwork abilities
- Willingness to learn, adaptability, and flexibility

What we offer

At Bridgestone, what really matter is to foster co-creation opportunities and empowering you to be creative and curious to make mobility safer, more efficient, and more sustainable for future generations. Whatever role you fill, when you represent Bridgestone, you are a valued teammate, and part of our larger mission to "Serve Society with Superior Quality", for that, we offer you more than just a competitive payment; we will provide you:

- A supportive and engaging onboarding experience to ensure a smooth transition into our team.
- The opportunity to develop and grow, through training and regular mentorship.
- Corporate Social Responsibility activities.
- A truly global, dynamic and challenging work environment.
- Agility and work/life effectiveness and your long-term well-being.
- A diverse and inclusive team.

We are committed to create an even more inclusive culture that advances equity, embraces individuality, and helps our increasingly diverse teammates, customers, and communities thrive, by providing equal opportunities in employment. This means that all job applicants and members of staff will receive equal treatment and that we will not discriminate on grounds of gender, marital status, race, ethnicity, color, nationality, national origin, disability, sexual orientation, religion or age.
